

## **Stuart Reid**

*Executive Vice President, Sales & Marketing  
Kellstrom Defense*

Mr. Reid is responsible for developing and executing a cohesive global sales and marketing strategy by maximizing the matrix organization's resources including business development, sales and marketing teams, and subject matter experts.

Mr. Reid brings extensive technical aerospace and defense market knowledge as well as general management skills. In his most recent assignment as Merex Group's Director of International Business, Mr. Reid played an integral role in the growth of the group's international legacy aircraft support business through successful business development and sales and program management strategies and processes.

He brings nearly twenty years of management experience in new product development, manufacturing of advanced components and systems, and business development for the defense and aerospace markets. Mr. Reid has successfully led multiple technical and sales teams in achieving company strategic short and long term objectives for high profile aerospace companies such as CIRCOR Aerospace division of CIRCOR International (NYSE:CIR) and Sargent Fletcher, Inc., a Cobham Company (LSE: COB).

He holds a B.A. degree in economics from the University of Southern California.

**Leadership.  
Innovation.  
Excellence.**

We have an aggressive goal to become the best at what we do!
