

KELLSTROM DEFENSE ANNOUNCES THE APPOINTMENT OF WILLIAM GREER AS DIRECTOR OF SALES & CONTRACTS

CAMARILLO, CA, March 1, 2017 – Kellstrom Defense Aerospace, Inc. (“KDA”) is pleased to announce the appointment of William Greer as Director of Sales and Contracts for the Engineering and Manufacturing operating segment. Mr. Greer will be responsible for growing global sales for engineered products, expanding proprietary product offerings, improving the overall customer experience, and managing contract performance. He will be based in Southern California and will also be part of the global Business Development team, reporting to Stuart Reid.

In announcing the appointment, Stuart Reid, Executive Vice President, Sales and Marketing for Kellstrom Defense comments, “Bill has extensive experience driving growth and expanding profitability in the aerospace market. I look forward to a positive impact on our growing engineered products business and welcome Bill to the Kellstrom Defense team.”

Mr. Greer comes to Kellstrom Defense with a broad range of aerospace experience, including serving as the General Manager for Teleflex and LMI factories in Southern California, Vice President of Business Development for Dukes Aerospace, Director of Sales & Contracts for Ontic, and most recently, Director of Sales & Marketing for RSA Engineered Products. He also brings critical knowledge for aftermarket support, product licensing, mergers and acquisitions, and developing new business partnerships.

Prior to moving into aerospace, Mr. Greer spent ten years with the IBM Corporation in several roles, including Systems Engineer and Product Line Manager. He also had an extended overseas assignment working to launch new IBM products into Europe and Scandinavia.

Mr. Greer holds a B.S. in Mechanical Engineering from Arizona State University and an M.B.A. from American Graduate School of International Management. He also teaches undergraduate and graduate business courses part-time at Pepperdine University and California Lutheran University.

About Kellstrom Defense Aerospace, Inc.:

Kellstrom Defense Aerospace, Inc. (“KDA”) is a global provider for the sustainment of legacy defense aircraft through OEM sanctioned distribution, component MRO, and engineering and manufacturing solutions for the C-130, F-16, F-5/T-38, F-18, P-3, Boeing 707 defense derivative aircraft, and multiple rotary-wing platforms. With operations in Camarillo, CA; Miramar, FL; Macon, GA; Cambridge, UK; Windsor, AU; and Singapore, the KDA team provides support to the United States military and over 60 partnering nations. KDA is committed to compliance, with hundreds of active export licenses and dedicated contract, export, and security personnel. The

KDA Advantage is being the respected global leader for defense aircraft sustainment, deploying an experienced team and complete capabilities to solve customer challenges. Further information is available at: www.kellstromdefense.com.

About Kellstrom Repair Services:

Kellstrom Repair Services, Inc. (“KRS”), a wholly owned subsidiary of Kellstrom Defense Aerospace, Inc. (“KDA”), specializes in providing Maintenance, Repair & Overhaul (“MRO”) and sustainment solutions for legacy military aircraft and rotor wing platforms worldwide. KRS is a Honeywell and AMETEK Authorized Repair Station specializing in the repair and overhaul of Auxiliary Power Units, Engine Driven Compressors, and a full range of mechanical, electro-mechanical, instrument, pneumatic and fuel system components. KRS also specializes in the repair and overhaul of Accessory Class III components, Instrument Class I, II, III and IV avionics, and landing gear systems. KRS Repair Management leverages KRS in-house repair capabilities and a network of FAA & EASA authorized facilities to provide value added MRO solutions for both OEMs and end user customer. Further information is available at: www.kellstromdefense.com/mro.
