

KELLSTROM REPAIR SERVICES APPROVED AS HONEYWELL CERTIFIED REPAIR STATION ON C-130

MIRAMAR, FL, October 24, 2017 - Kellstrom Repair Services, Inc. (KRS), a wholly owned subsidiary of Kellstrom Defense Aerospace, Inc. (KDA), has been approved by Honeywell International, Inc. ("Honeywell") as a Honeywell certified repair station for components on the C-130 platform.

The Honeywell authorized Repair and Overhaul Agreement authorizes KRS to perform organizational, intermediate, and depot level maintenance on pneumatic regulator valves, starter control valves, anti-ice valves, Kellstrom Defense's E2H ECS® system, and Auxiliary Power Units (APUs) and components including the SHORT-POD® APU.

"As a Honeywell Authorized Repair Center, KRS can provide its customers with a unique value proposition that combines the best of KDA, KRS, and Honeywell", said Andy Trosper, KRS' President. "With the support of the Honeywell team and our wide range of internal capabilities and expertise, we are able to deliver value to our customers through innovative solutions and support enabling our customers to complete their missions."

About Kellstrom Defense Aerospace, Inc.:

Kellstrom Defense Aerospace, Inc. ("KDA") is a global provider for the sustainment of legacy defense aircraft through OEM sanctioned distribution, component MRO, and engineering and manufacturing solutions for the C-130, F-16, F-5/T-38, F-18, P-3, Boeing 707 defense derivative aircraft, and multiple rotary-wing platforms. With operations in Camarillo, CA; Miramar, FL; Macon, GA; Cambridge, UK; Windsor, AU; and Singapore, the KDA team provides support to the United States military and over 60 partnering nations. KDA is committed to compliance, with hundreds of active export licenses and dedicated contract, export, and security personnel. **The KDA Advantage is being the respected global leader for defense aircraft sustainment, deploying an experienced team and complete capabilities to solve customer challenges.** Further information is available at: www.kellstromdefense.com and www.c130.com.

About Kellstrom Repair Services:

Kellstrom Repair Services, Inc. ("KRS"), a wholly owned subsidiary of Kellstrom Defense Aerospace, Inc. ("KDA"), specializes in providing Maintenance, Repair & Overhaul ("MRO") and sustainment solutions for legacy military aircraft and rotor wing platforms worldwide. KRS is a Honeywell and AMETEK Authorized Repair Station specializing in the repair and overhaul of Auxiliary Power Units, Engine Driven Compressors, and a full range of mechanical, electro-

mechanical, instrument, pneumatic and fuel system components. KRS also specializes in the repair and overhaul of Accessory Class III components, Instrument Class I, II, III and IV avionics, and landing gear systems. KRS Repair Management leverages KRS in-house repair capabilities and a network of FAA & EASA authorized facilities to provide value added MRO solutions for both OEMs and end user customer.
