

KELLSTROM DEFENSE ANNOUNCES THE GRAND OPENING OF GLOBAL HEADQUARTERS

EL SEGUNDO, CA, February 6, 2017 – Kellstrom Defense Aerospace, Inc. (“KDA”) is excited to announce the grand opening of its global headquarters in El Segundo, CA. This strategic location houses the executive team and shared services for the entire group of businesses, with close proximity to Los Angeles International Airport (LAX) and critical business partners in the Southern California South Bay defense community.

A ribbon cutting reception was held at the new offices located in the Pacific Corporate Towers (PCT) to commemorate KDA building a stronger presence in the Los Angeles aerospace community. KDA was welcomed into the community by numerous city council and state senate representatives and a contingent of aerospace business customers, industry partners, and suppliers to recognize the opening of the new corporate hub.

“The El Segundo aerospace community was an ideal choice, enabling us to be close to our customers and enjoy easy global travel access via LAX” said Chris Celtruda, Chief Executive Officer for KDA, “we look forward to leveraging this location to fuel our growth trajectory and to attract top caliber talent from the South Bay communities and nearby universities”.

About Kellstrom Defense Aerospace, Inc.:

Kellstrom Defense Aerospace, Inc. (“KDA”) is a global provider for the sustainment of legacy defense aircraft through OEM sanctioned distribution, component MRO, and engineering and manufacturing solutions for the C-130, F-16, F-5/T-38, F-18, P-3, Boeing 707 defense derivative aircraft, and multiple rotary-wing platforms. With operations in Camarillo, CA; Miramar, FL; Macon, GA; Cambridge, UK; Windsor, AU; and Singapore, the KDA team provides support to the United States military and over 60 partnering nations. KDA is committed to compliance, with hundreds of active export licenses and dedicated contract, export, and security personnel. The KDA Advantage is being the respected global leader for defense aircraft sustainment, deploying an experienced team and complete capabilities to solve customer challenges.
