

## **KELLSTROM DEFENSE APPOINTED AS DISTRIBUTOR FOR PTI TECHNOLOGIES**

MIRAMAR, FL, July 19, 2018 - Kellstrom Defense Aerospace, Inc. ("KDA") is pleased to announce they have been selected by PTI Technologies, an ESCO Technologies company, to distribute their high technology filter elements, modules, filtration, and fluid flow equipment used on fixed wing and rotary military aircraft platforms. Under the recently signed distribution agreement, KDA's territory will cover all international military operators and global engine repair centers, excluding the U.S. and Japan.

"We are extremely pleased to partner with PTI Technologies to connect their filtration products to the international military market" said Melissa Orr, KDA's Director of OEM Relationships. "As PTI's military distributor, Kellstrom Defense will focus on strategic inventory management to expand PTI's defense customer base."

Rowland Ellis, Vice President & General Manager of PTI, commented, "We are very pleased to partner with Kellstrom Defense to provide an even greater level of support for international military customers who use PTI products and technology on their aircraft. This partnership represents a significant enhancement of our strong commitment to world class customer support."

### **About PTI Technologies:**

PTI Technologies Inc. is a world leader in the design, development, manufacture, marketing, and distribution of high technology filter elements, modules and filtration products. PTI is a wholly-owned subsidiary of ESCO Technologies Inc. PTI Technologies continues to demonstrate leadership in the design and development of products ranging from permanent filtration elements to light-weight titanium modules for flight application.

PTI, headquartered in Oxnard, California, is a proven supplier of fluid power filtration products for hydraulic and lubrication systems. Further information regarding PTI and our product offering is available on the company's website at [www.ptitechnologies.com](http://www.ptitechnologies.com).

### **About Kellstrom Defense Aerospace, Inc.:**

Kellstrom Defense Aerospace, Inc. ("KDA") is a global provider for the sustainment of legacy defense aircraft through OEM strategic distribution, accessory and component repair services, and engineered products for military transporters, fighter, and rotary wing platforms.
