

KELLSTROM DEFENSE ANNOUNCES THE APPOINTMENT OF TERRI LAMBERT AS MANAGING DIRECTOR OF BUSINESS DEVELOPMENT

El Segundo, CA, February 18, 2019 – Kellstrom Defense Aerospace, Inc. (“KDA”) is pleased to announce the appointment of Terri Lambert as Managing Director of Business Development. Terri will be responsible for the overall leadership of the global business development team, driving customer relationships, and new business development for all KDA operating segments. She will be based at KDA’s global headquarters in El Segundo, California and will report directly to Eric Hillewaert, VP Business Growth.

Terri comes to Kellstrom Defense from LAI International, where she served as Director of Sales and Marketing driving increased sales and developing customer relationships for LAI’s complex machining and additive manufacturing business. Terri spent most of her career at Honeywell International in several roles of increasing responsibility in sales, contract management, business development, and marketing. Those roles included Customer Business Leader for United States Air Force programs, International Customer Business Leader for military customers in the EMEA region, and Aftermarket Operations Manager for Defense & Space covering Honeywell’s military fixed wing, helicopter, and engine product offerings.

“Terri brings to Kellstrom Defense a strong track record of building customer relationships and driving new business in the defense market,” commented Eric Hillewaert. “We are excited about Terri’s diverse experience and her ability to lead our international business development team to expand our global business in the military aftermarket.”

Terri has earned a bachelor’s degree in Business Management from University of Phoenix and holds Program Management Professional, Government Contract Management, and Six Sigma Green Belt certifications.
