

Standard Service Warranty

Kellstrom repair Services (KRS), Inc. warrants its overhaul and repair services to be free of defects in workmanship and materials from the date of tag in accordance with the following parameters:

Overhaul

All articles overhauled by KRS, Inc. will be warrantied for a period of twelve (12) months from the date of the tag. Warranty covers workmanship and all materials replaced by KRS, Inc. at time of most recent overhaul.

Repair

All articles repaired by KRS, Inc. will be warrantied for a period of six (6) months from the date of the tag. Warranty covers workmanship and all materials previously replaced by KRS, Inc. at time of most recent repair.

NOTE: Warranties for articles repaired by KRS, Inc. do not give full coverage for all failures during the six (6) month period, but are limited to those specific parts and/or subassemblies that were repaired/replaced as part of the most recent maintenance action.

Bench Check

As bench checks are a snapshot of the articles functionality, there will be **NO** warranties offered for this maintenance action.

In order for this Standard Service Warranty to be honored all warranty repairs must be performed by Kellstrom Repair Services, Inc. **NO** warranty will be honored if tamper seals and/or safety wire is broken or missing. Damage induced as a result of mishandling, improper packaging, or improper storage and preservation differing from that specified by the Original Equipment Manufacturer (OEM) will also void this warranty.
